2022 HACCP Mission Statement
Letter of Guarantee

To whom it may concern,

PezCo Aquafarming LLC is dedicated to producing safe, high quality, wholesome food products. Our products are manufactured under the new HACCP guidelines which conform to the USDA Final Rule 21 CFR 123, Pathogen Reduction: Hazard Analysis and Critical Control Point [HACCP] Systems in the Federal Register.

Our HACCP programs are highly effective process control systems supported by [SSOP's] Sanitation Standard Operating Procedures and [GMP's] Good Manufacturing Practices as well as management and employee commitment. The HACCP environment created within our processing facilities enables us to continually monitor our procedures for optimum performance in regards to food safety.

PezCo Aquafarming LLC remains committed to food safety and high quality products. We look forward to working hand-in-hand with our USDA inspectors to ensure the safety of our customers.

Respectfully,

Juan-Carlos Libreros | COO / Business Development Executive
